Tent/Canopy Fee Schedule

(Effective 07/01/09)

Tent/Canopy Total Square Footage	Permit Fee
100 – 450	\$ 194.00
451 – 3,500	\$ 388.00
3,501 – 25,000	
25,001 +	\$ 1,552.00

(Length x Width of tent/canopy = Square Footage)
(Total Square Footage, for the permit purpose, is the combined total of all tent/canopies)

General Information:

Permit fees are based upon the total square footage of all tent(s)/canopies under one permit.

Occupant loads are calculated at:

Dining/Seating/Etc. - 15 square feet of floor area per occupant.

Dance Floors - 7 square feet of floor area per occupant

Exiting, use, access, fire extinguishers, occupant load, seating, mean of egress, exit signage and all other related items are under the provisions of California Health and Safety Code, Title 19; California Fire Code (CFC), Chapter 24; California Building Code (CBC), Chapter 10.

All occupant loads of all tents/canopies, separate or combined, shall be determined by the Fire Department based upon the floor area(s), proposed use, level of hazard, location of the installation and/or other code related factor(s).

Any questions about Fire code requirements, please contact Fire Plan Review at (626) 744-6885.
