# City of Pasadena Community Meeting - Housing Element Monitoring

At the adoption hearings for the 2014-2021 Housing Element, the community raised concerns about how the Housing Element implementation program was going to be monitored.

A range of 7 alternatives for monitoring, an outreach program, and a schedule were developed. The purpose of this community meeting is to present the alternatives and to receive community comments. After this meeting, staff will develop a recommendation that will be presented to the Planning Commission and the City Council.

- **Learn** about the different alternatives proposed for monitoring the City's Housing Element.
- **Comment** on which alternative you think works best for Pasadena.

**Saturday, June 14, 2014 - 9:30-11:30 am**

Jackie Robinson Center - Auditorium, 1020 N. Fair Oaks Ave. Pasadena

**COME TO A COMMUNITY MEETING AND SHARE YOUR THOUGHTS**
