Dear City Clerk Jomsky and the Pasadena Redistricting Task Force,

As a resident in the Madison Heights Community of Interest within District 7, I support the proposed redistricting map called "Minimal Change with 10% Deviation Map,"

Our interests are very different from those in District 6, and I am concerned that neither we nor they would be as well represented. It is very important that our neighborhood is not disrupted or split into two very different Council districts, nor be moved into District 6 entirely. We also feel we should maintain the diversity of homeowners and renters in these districts.

Thank you very much

Lon Bender
