OFFICE OF THE CITY MANAGER

September 6, 2018

To the Honorable City Council
of the City of Pasadena

Mayor and Councilmembers:

WEEKLY NEWSLETTER

1. Parking Access and Revenue Control System (PARCS) Update:

On August 27th, staff from the Parking Division of the Department of Transportation brought forward an item to the City Council recommending the purchase of a Parking Access and Revenue Control System (PARCS). One of the potential vendors spoke at the Council meeting to express concerns about how his company's proposal was scored. Specifically, the issue raised was whether information submitted after the Request For Proposal (RFP) deadline, and in response to the City's request for clarification, could be considered in ranking a proposal.

In consultation with the City Manager's Office and the City Attorney's Office, staff reviewed the question of whether this information submitted after the deadline could be considered and whether the City's request for clarification modified the RFP. Staff has determined that, in order to ensure a fair and level playing field for the all vendors, the public interest is best served by rejecting all proposals for the Parking Access and Revenue Control System and reissuing a RFP with a new process to help eliminate any potential confusion in the City's RFP documents. Staff is currently preparing a new RFP, with the goal of returning to Council in November with a recommendation. All of the proposers are strongly encouraged to submit their best proposal in response to this re-issued RFP.

2. Foothill Freeway (I-210) Closures for Pavement Rehabilitation – Update:

The California Department of Transportation (Caltrans) has provided an update to the closed portions of the Foothill Freeway (I-210) as part of the pavement rehabilitation upgrade projects that began on June 12, 2017 and will now continue with long-term ramp closures continuing through the Summer of 2018. The attached news release, from Caltrans provides additional detailed information.

3. Legal Advertisements and Public Notices:

I have attached a memorandum from Mark Jomsky, City Clerk, which provides this week's submission of upcoming legal advertisements and public notices set for publication.
