

## CITY TRAFFIC ENGINEERS ASSOCIATION

[www.citytrafficengineers.org](http://www.citytrafficengineers.org)

The City Traffic Engineers (CTE) Association is requesting your help to develop a workshop for local Traffic Commissioners or other public officers to help educate them on traffic issues. CTE has hosted this workshop in the past but it has been a while since we noticed a strong decline in attendance. Our strategy for this year is to request input from everyone who we feel would be interested and stand to benefit from attending the workshop. We have enclosed a brief survey in an effort to identify the core topics that Traffic Commissioners would be interested in during the workshop and to identify any format changes from the last workshop in 2008. Please take a few moments to fill out this survey and send it back to us by April 1, 2011.

1. Please rate your interest on the topics listed below on a scale of 1 – 5, with five being the highest.

- |   |   |
|---|---|
| <input type="checkbox"/> Complete Streets _____                                     | <input type="checkbox"/> Second E – Education _____         |
| <input type="checkbox"/> Bicycle Legislation _____                                  | <input type="checkbox"/> Third E – Enforcement _____        |
| <input type="checkbox"/> Multimodal Level Of Service _____                          | <input type="checkbox"/> Development Review process _____   |
| <input type="checkbox"/> Pedestrian safety enhancements _____                       | <input type="checkbox"/> Neighborhood Traffic Calming _____ |
| <input type="checkbox"/> Accommodating bicycles _____                               | <input type="checkbox"/> Local Traffic Issues _____         |
| <input type="checkbox"/> Project funding _____                                      | <input type="checkbox"/> Legal Liability _____              |
| <input type="checkbox"/> California Environmental Quality Act (CEQA) Overview _____ | <input type="checkbox"/> Signal Synchronization _____       |
| <input type="checkbox"/> School Area Traffic Safety _____                           | <input type="checkbox"/> Roundabout Applications _____      |
| <input type="checkbox"/> First E – Engineering _____                                | <input type="checkbox"/> Other: _____                       |

2. What is your preference for presentation?

- |   |  |
|---|--|
| <input type="checkbox"/> Workshop           | <input type="checkbox"/> Video Modules on CD |
| <input type="checkbox"/> Webinar            | <input type="checkbox"/> Powerpoint on CD    |
| <input type="checkbox"/> On-Demand Download | <input type="checkbox"/> Other: _____        |

3. If it is a workshop, what do you think should be the duration of the workshop?
- 4-hour workshop  2-day workshop of topic modules
- 8-hour workshop (1 day)
4. How important is cost in determining your decision to attend the workshop? Please rate on a scale of 1 to 5 with five being most important. \_\_\_\_\_
5. What would be a reasonable cost for a one day session with lunch and refreshments included? \_\_\_\_\_
6. Would you be interested in purchasing a video copy of the workshop/Presentation if you are not able to attend in person (price of each copy will be based upon the number of responses)?
- Yes  No
