

**MEMORANDUM - CITY OF PASADENA  
DEPARTMENT OF TRANSPORTATION**

**DATE:** April 25, 2013  
**TO:** Transportation Advisory Commission  
**FROM:** Richard Dilluvio, Senior Transportation Planner *R.D.*  
**RE:** Draft Bicycle Transportation Plan Update

**Recommendation:**

It is recommended that the Transportation Advisory Commission support the adoption of the Draft Bicycle Transportation Plan by the City Council.

**Background:**

On January 27, 2011, staff presented the Draft Bicycle Transportation Plan to the Transportation Advisory Commission (TAC) for comment and review. Since then, the plan has been modified to include comments and recommendations that were received.

Subsequently, the plan process was held back to better synchronize with the General Plan Land Use and Mobility Element update effort; to ensure that goals, policies and programs are consistent. In addition, staff also wanted to ensure consistency with the Complete Streets Plan which is currently being drafted.
