

NOTICE OF PUBLIC HEARING CUP #6452

Project Location: 535 East Union Street, Pasadena, CA

Subject: The applicant, Mill Creek Development, LLC, has submitted a request to facilitate construction of a new four-story mixed-use building containing a total of four residential units, 6,595 square feet of office and 6,709 square feet of ground-level retail and the construction of a new six-story residential building containing a total of 82 residential units, ten of which would be affordable (very-low income) units, over two subterranean parking levels containing a total of 184 parking spaces. The project requires the following entitlements: 1) Conditional Use Permit to allow a Density Bonus exceeding 35 percent; 2) Affordable Housing Concession Permit to allow the proposed site to exceed the maximum allowable floor area ratio (FAR); 3) Affordable Housing Concession Permit to allow proposed building to exceed the maximum height; and 4) Private Tree Removal to remove five protected trees located on site.

Environmental Determination: This project has been determined to be exempt from environmental review pursuant to the guidelines of the California Environmental Quality Act (CEQA) Public Resources Code §21080(b)(9); Administrative Code, Title 14, Chapter 3, §15332, Class 32, In-Fill Development Projects, and there are no features that distinguish this project from others in the exempt class; therefore, there are no unusual circumstances. Section 15332 specifically exempts from environmental review in-fill development where: 1) the project is consistent with the applicable general plan designation and all applicable general plan policies as well as with applicable zoning designation and regulations; 2) the proposed development occurs within city limits on a project site of no more than five acres substantially surrounded by urban uses; 3) the project site has no value as habitat for endangered, rare or threatened species; 4) approval of the project would not result in any significant effects relating to traffic, noise, air quality, or water quality; and 5) the site can be adequately served by all required utilities and public services.

NOTICE IS HEREBY GIVEN that the
Hearing Officer will hold a public hearing to
consider the application.

THE HEARING IS SCHEDULED ON:

Date: Wednesday, March 21, 2018
