

NOTICE OF PUBLIC HEARING CUP #6573

Project Location: 2180 East Foothill Blvd, Pasadena, CA

Subject: The City of Pasadena Department of Public Works has submitted an application for a Conditional Use Permit to allow the establishment of a Public Maintenance and Service Facility to support the operations and maintenance of the Pasadena Transit fixed route services and Pasadena Dial-A-Ride paratransit services. The project entails the demolition of the existing 3,623 square-foot one-story commercial building, the construction of a new 25,920 square-foot three-story maintenance and operation facility building, and a three-story 59,980 square-foot, attached parking facility. Access to the parking facility would be from two driveways along Walnut Street, and one driveway from Foothill Boulevard.

Environmental Determination: An initial environmental study was prepared for the project and concluded that there will be less than significant impacts on the environment because mitigation measures will be incorporated to the project. Therefore, a Mitigated Negative Declaration has been prepared. The Hearing Officer will take comments on the proposed Mitigated Negative Declaration and will consider adoption of the Mitigated Negative Declaration.

NOTICE IS HEREBY GIVEN that the
Hearing Officer will hold a public hearing to
consider the application.
