**AGENDA
HEARING OFFICER
OCTOBER 3, 2018**

HEARING OFFICER

**Public Meeting 6:00 P.M.
175 North Garfield Avenue
Permit Center Hearing Room, 1st Floor**

1. ROLL CALL AND READING OF PROCEDURES
2. PUBLIC HEARINGS

MINOR CASES

A. MV #11892: 1157 Armada Drive – Council District #1

Minor Variance: To allow the construction of a 400 square-foot attached garage to an existing single-family residence with a reduced setback of four feet from the rear property line, where the minimum requirement is 25 feet. The site is located within the RS-6 (Single-Family Residential, 0-6 dwelling units per acre) zoning district. A Minor Variance is required to encroach into a required setback.

Staff Recommendation:

- 1) Find that the project is exempt from the California Environmental Quality Act (CEQA) pursuant to State CEQA Guidelines Section 15301 (Existing Facilities); and
- 2) Approve the Minor Variance with conditions.

Case Manager: Kristen Johnston

REGULAR CASES

B. TTM #82248: 388 South Los Robles Avenue – Council District #6

Tentative Tract Map: To allow the creation of 16 air parcels on one land lot for residential condominium purposes. A new 16-unit residential project received Final Design Review approval on December 14, 2016. This application only concerns the creation of air parcels that will allow the sale of each dwelling unit. This application does not address the design or construction of the 16-unit project and does not include any proposed changes to the previous Design Review approval.

Staff Recommendation:

- 1) Find the project to be exempt from the California Environmental Quality Act (CEQA) pursuant to State CEQA Guidelines Section 15332, Class 32 (Infill Development), which is in conjunction with the Concept Design Review approval on March 24, 2015. It has further been determined that there are no changed circumstances or new information as part of the proposed Tentative Tract Map application that necessitate further environmental review and there are no features that distinguish this project from others in the exempt class; therefore, there are no unusual circumstances; and
- 2) Approve the Tentative Tract Map with conditions.

Case Manager: Jamie Peltier

C. CUP #6614: 461 North Altadena Drive – Council District #4

- 1) Conditional Use Permit: To allow the conversion of existing service bay area to expand a convenience store at a Vehicle Service Station,
- 2) Conditional Use Permit: To allow the off-site sale of limited alcohol (beer and wine), and
- 3) Conditional Use Permit: To allow the extended hours of operation from 5:00 a.m. to 10:00 p.m. daily for the existing Service Station and newly expanded convenience store ancillary use.

Conditional Use Permits are required for the alteration of a Vehicle Service Station use, to allow off-site sale of limited alcohol, and to allow for extended hours of operation within the CL (Commercial Limited) zoning district.

Staff Recommendation:

- 1) Continue to a date uncertain

Case Manager: Kent Lin

D. V #11890: 180 South San Rafael Avenue – Council District #6

- 1) Variance: To allow construction of a 500 square-foot accessory structure (pool house) within the front yard of a flag lot developed with a single-family residence, where an accessory structure is required to be located behind the rear wall plane of the primary structure; and
- 2) Minor Variance: To allow replacement of an existing six-foot chain link fence with a new six-foot solid wood fence, along portions of the north and south side property lines within the front yard of a flag lot, where the maximum allowed height is four feet.

Staff Recommendation:

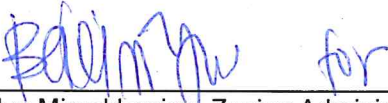

- 1) Find that the project is exempt from the California Environmental Quality Act (CEQA) pursuant to State CEQA Guidelines Section 15303 (New Construction or Conversion of Small Structures); and
- 2) Approve the Variance and Minor Variance with conditions.

Case Manager: Kristen Johnston
