

NOTICE OF POTENTIAL PUBLIC HEARING (SUBJECT TO REQUEST) MCUP #6692

Project Location: 1070 North Lake Avenue, Pasadena, CA

Subject: The applicant, CNS La Villa Lake, LLC, has submitted a Minor Conditional Use Permit application to allow for the alteration of a nonconforming use. Variance #8191, approved on August 7, 1970, permitted a deviation from use of property requirements (development of multi-family residential on a parcel zoned for single-family residential) and an exception to applicable parking requirements to facilitate construction of a three-story, 114-unit FHA senior housing project with 72 parking spaces on a C-1 zoned property, with the building and parking extending 30-feet into an R-1 zone. The applicant is requesting to eliminate the age-restriction for tenants, making the units available to non-seniors. The site is located within the CO-SP-1a and RS-6-LD-1 (Commercial Office District, North Lake Specific Plan, sub-district 1a and Single-Family Residential, Bungalow Heaven Landmark District) zoning district. A Minor Conditional Use Permit is required for alteration of a non-conforming use.

Environmental Determination: The Hearing Officer will be asked to consider whether this project is exempt from environmental review pursuant to the guidelines of the California Environmental Quality Act (Public Resources Code §21080(b)(9); Administrative Code, Title 14, Chapter 3, §15301, Class 1 (Existing Facilities), and whether there are no features that distinguish this project from others in the exempt class; therefore, there are no unusual circumstances. Section 15301 exempts the operation, leasing, and minor alterations of existing private structures, involving negligible or no expansion of use beyond that existing at the time of the lead agency's determination; the modification of tenant age requirements is considered a negligible expansion of an existing use.

NOTICE IS HEREBY GIVEN that the **Hearing Officer will hold a public hearing** to consider the application **if a request for one is made** on the proposed application subject to the conditions indicated in the Public Information paragraph below.

THE HEARING IS SCHEDULED ON:
