

NOTICE OF PUBLIC HEARING
HDP #6667

Project Location: 1644 Kaweah Drive, Pasadena, CA

Subject: The applicant, Thomas Havel, has submitted a Hillside Development Permit application for the construction of a 471 square-foot first floor addition to an existing one-story, 2,363 square-foot residence with a detached two-car garage. A Hillside Development Permit is required for a cumulative addition of 500 square feet or more to the first floor within the prior three years; BLD2018-00355, issued April 17, 2019, permitted a 108 square-foot first floor addition, which results in a cumulative addition of 579 square feet to the first floor within a three year period. A 36" DBH (diameter at breast height) Pinus Canariensis (Canary Pine) tree is requested to be removed as part of the proposed project. The property is zoned RS-6-HDSR and is located in the Hillside Overlay District.

Environmental Determination: This project has been determined to be exempt from environmental review pursuant to the guidelines of the California Environmental Quality Act (Public Resources Code §21080(b)(9); Administrative Code, Title 14, Chapter 3, §15301, Class 1, Existing Facilities) and there are no features that distinguish this project from others in the exempt class; therefore, there are no unusual circumstances. Section 15301 exempts additions to existing structures, provided the addition will not result in an increase of more than 10,000 square feet when the project is in an area where all public services and facilities are available to allow for maximum development permissible in the General Plan, and the area in which the project is located is not environmentally sensitive.

NOTICE IS HEREBY GIVEN that the Hearing Officer will hold a public hearing to consider the application.
