

NOTICE OF PUBLIC HEARING
MCUP#6742

Project Location: 604 & 606 Ashtabula Street, Pasadena, CA

Subject: The applicant, Gonzalo Herrera, has submitted a Minor Conditional Use Permit application to allow a 117 square-foot rear addition to an existing single-story unit (606 E. Ashtabula Street) at the front of the subject property. The existing use is non-conforming because it consists of two dwelling units in the RS-6 (Single-Family Residential, six units per acre) zoning district, where only one dwelling unit is permitted. A Minor Conditional Use Permit is required for an expansion and/or alteration of a legally established non-conforming use. The project also includes an interior remodel of the unit.

Environmental Determination: This project has been determined to be exempt from environmental review pursuant to the guidelines of the California Environmental Quality Act (Public Resources Code §21080(b) (9); Administrative Code, Title 14, Chapter 3, §15301, Class 1, (Existing Facilities), and there are no features that distinguish this project from others in the exempt class; therefore, there are no unusual circumstances. Section 15301 exempts projects that involve additions to existing structures, provided that the alteration or addition will not result in an increase of more than 50% of the existing floor area. The proposed project includes a 117 square-foot addition to an existing 1,149 square-foot residence, less than 50% of the existing floor area.

NOTICE IS HEREBY GIVEN that the **Hearing Officer may hold a public hearing** on the proposed application subject to the conditions indicated in the Public Information paragraph below.
