

NOTICE OF PUBLIC HEARING
CUP #6709

Project Location: 1336 E. Colorado Boulevard, Pasadena, CA

Subject: The applicant, Jason Chen, has submitted a Conditional Use Permit application to establish a Lodging – Hotels, Motels land use (hotel) with associated retail sales and services uses. The proposed hotel would provide 150 guest rooms and occupy a five-story, approximately 90,000 square-foot building.

Environmental Determination: The City Council adopted a resolution certifying an Environmental Impact Report (EIR) (SCH #2013101060), adopted a Mitigation Monitoring and Reporting Program (MMRP), and adopted a Water Supply Assessment pursuant to the California Environmental Quality Act (CEQA) on September 12, 2016. This environmental determination was in conjunction with the creation of a Planned Development Plan, and amendments to the zoning map and zoning code that affected properties located at 1347-1355 East Colorado Boulevard, 39 North Hill Avenue (north parcel), and 1336 East Colorado Boulevard (south parcel). The environmental analysis considered the development of two hotels (one on each of the north and south parcels), comprising up to 525 guest rooms and 26,400 square feet of commercial space. Specific to the south parcel, the analysis considered the construction and operation of an approximate 90,000 square-foot hotel and commercial use building. The EIR identified potentially significant effects related to the following topics: Air Quality, Cultural Resources, Hazards and Hazardous Materials, Noise and Vibration; and Traffic and Transportation. With the incorporation of mitigation measures in the MMRP, the EIR determined that all potentially significant effects would be reduced to a less than significant level. On August 29, 2018, the Planning Commission approved revisions to the PD Plan. The Planning Commission determined that the proposed changes were minor in nature and would not require major revisions of the previously certified EIR. This application for a Conditional Use Permit does not involve any changed circumstances or new information that would require further environmental review.

NOTICE IS HEREBY GIVEN that the Hearing Officer will hold a public hearing to consider the application.

THE HEARING IS SCHEDULED ON:
