

Department of Transportation

Update on FY20 - 21 Safe Routes to School Program at Nine Pasadena Unified School District Schools

Transportation Advisory Commission
September 26, 2019

Background

Department of Transportation

- The City was awarded \$780,000 in ATP Grant Funds for consultant services to conduct a Safe Routes to School Education and Encouragement Program.
- A consultant team of Day One, ActiveSGV, and Alta Planning was selected in February 2019.
- The program will be implemented at 9 PUSD schools and cover school years 2019-20 and 2020-21.
- Funding for this program was made possible by California Senate Bill 1, also known as the Road Repair and Accountability Act of 2017, through the California Division of Local Assistance's Active Transportation Program.

Next Steps

Department of Transportation

- Day One and PUSD will develop an education curriculum and conduct programming to students and parents.
- Organize trainings for parent and student volunteers to carry out programs at their respective schools.
- Develop new route maps for each school.
- Programming such presentations, workshops, and bicycle rodeos will be conducted throughout the next two school years.
