To construct an approximately 1,900-square-foot, two-story addition to the west side of the house, which is a designated landmark.

Staff Recommendation:

 1. Find that the application for Certificate of Appropriateness was subject to environmental review in the Categorical Exemption adopted by the Hearing Officer in conjunction with its approval of Hillside Development Permit #6561 on April 3, 2019, and that there are no changed circumstances or new information which would require further environmental review;
 2. Approve the Certificate of Appropriateness for the construction of the two-story addition to the west side of the house subject to conditions, which shall be subject to staff review and approval prior to issuance of a building permit.
