

NOTICE OF PUBLIC HEARING
MCUP #6733

Project Location: 180 – 186 N. Sierra Bonita Avenue, Pasadena, CA

Subject: The applicant, Levon Khandjian on behalf of Krikor Missirlian, has submitted a Minor Conditional Use Permit application to allow the enlargement of a legally established nonconforming multi-family residential use in the CG (Commercial General) zoning district. The use is nonconforming because the Zoning Code does not allow for multi-family residential use in the CG zoning district. The project includes a 149 square-foot addition to one existing dwelling unit in the multi-family development. A legal nonconforming use may not be altered or enlarged unless a Minor Conditional Use Permit is first obtained.

Environmental Determination: This project has been determined to be exempt from environmental review pursuant to the guidelines of the California Environmental Quality Act (Public Resources Code §21080(b)(9); Administrative Code, Title 14, Chapter 3, §15301, Class 1, Existing Facilities) and there are no features that distinguish this project from others in the exempt class; therefore, there are no unusual circumstances. Section 15301 exempts additions to existing structures, provided the addition will not result in an increase of more than 50 percent of the floor area of the structure before the addition or 2,500 square feet, whichever is less.

NOTICE IS HEREBY GIVEN that the **Hearing Officer may hold a public hearing** to consider the application if a request for one is made on the proposed application subject to the conditions indicated in the Public Information paragraph below.
