Jennifer -- Below is the Zillow link to 40 Arlington Drive, which is the address of Mrs. Key who submitted a letter earlier today. If you click on it, the street view of the house comes up. As you will see, her house is blocked by several trees on the street and in her front yard. Based upon that phot, I find it hard to believe that the headlights from cars shine into her living room and bedroom as she claims in her email. Please, therefore, provide this to the hearing officer. I also will mention it. Thank you.
