Chairman,

This letter is in reference to CUP # 6147 concerning a proposed plan for expansion submitted by the Westridge School for Girls.

Although our address is on Orange Grove, our main structure is on Madeline Ave and we are surrounded by structures and facilities of the Westridge School. The school in the past has always been a good neighbor especially when the new science building was constructed.

We have reviewed the proposal and solicited responses from our HOA members. After the review we agreed that the plan would not adversely impact our homes. We therefor support the Westridge Schools request to expand their campus and make it more efficient.

We do not plan on participating in the scheduled webcast but we would appreciate having this letter included in the meeting.

Please notify me by email that you have received this letter. (tedmarja@sbcglobal.net)

Sincerely,

Ted Wiersema, President  
The Madeline HOA
