| <b>Comments</b>                                  | Republik Coffee Lounge is the best local coffee experience. I have been frequenting Republik for some time now. It is more than just a place to get coffee- the many choices of coffee, tea, food, and pastries make Republik a true gem - fabulous interior ambiance. Now with addition of beer and wine, will elevate the experience of going to visit (linger and enjoy) Republik to a whole new level.<br>Nader and his team are the best! |
