To whom it may concern,

I am writing this letter in support of the application for Rebuplik Coffee to serve beer and wine at their location on 854 E Green St, Pasadena. I live two block south and work just across Republk at Merrill Lynch. I believe the addition of wine and beer will highly enhanced the neighborhood not only for a place to gather with friends and family but also for a place where i can conduct business meetings. Please accept my endorsement and support of the beer and wine application.

Regards,
