Hi Ms. Walker,  
My primary concern with the proposal for the 1615 E. Washington property is the opening hours. I live about a mile from the location above. This is a highly residential area. I don't think it is responsible to allow people to begin drinking at 7am. There are children walking past this establishment to get to and from school, which I feel is inappropriate. We would love a great restaurant in the area but at normal restaurant business hours, 5:30pm on. I don't necessarily have an issue with the place closing at midnight but I am strongly opposed to have a bar in the neighborhood that opens at 7am.

Thanks for taking the time to consider my input.  
Nancy Elliott
