I was recently informed of a bar opening up near e 1635 e Washington blvd. The last time there was a bar/restaurant in that area, there were loud, obnoxious fights. My house got Brocken into. In The middle of the night there were loud arguments, and fights. In the morning we would find Brocken bottles, condoms, etc. the neighborhood is full of families, there is a school, church, and a building for elderly residents within walking distance. I and most of the residents are against any type of drinking establishment; including restaurant/bar in that location.

Sincerely
Mary Kre
