Dear Ms Walker,

I am absolutely IN FAVOR of this project. Nice restaurants don't cause neighborhood problems. The predecessor of this new venture was a hookah lounge/restaurant/bar that catered to the very young who can sometimes be rowdy. There have been no problems with Bacchus Kitchen, Altaeats, Millies, and Tap and Kitchen when it was open. These are very difficult times for restaurants and we will lose a lot to the pandemic so anyone wishing to open a new restaurant/bar has my support and good wishes. We need the jobs, and we need places to eat and be entertained. It's what makes a city worth living in.

Thank you,

Susanna Dadd
