<b>Comments</b>	In listening to the other CUP applications on this evening's agenda that involve alcohol use, it occurs to me that these are for existing restaurants. It is notable to point out that a restaurant is not currently operating at this site. The previous establishment was a bar that operated from 7 pm to 2 am. (7 hours) The proposed hours for this application are from 7 am to midnight, a 17 hour span that is more than twice the previous operating hours. This will undoubtedly add even more to any traffic, congestion and safety issues that were experienced with the previous business.
