Ms. Walker,

I would like to express my opinion on the “The George” restaurant. When this first came up I was ok with it being a restaurant with “regular” eating hours, but I do not want a bar next door to me.

We have had many issues in the past with people lingering until the wee hours of the morning for either work or hanging out. 4 am easily...

We do not have parking in the area and our limited street parking is precious space.

Please reconsider this bar option. The neighborhood doesn't support this.
