

**810 MORTH MARENGO AVENUE**  
**CASE#: PLN2017-00558**  
**CLIMATE ACTION PLAN (CAP) Consistency Checklist**

**05/03/2019**

The proposed project will comply with and include the following items:

1. General compliance with the California Green Building Code
2. Bicycle storage
3. Bicycle sharing
4. Indoor water efficiency
5. Electrical vehicles charging stations
6. Window awnings
7. Irrigation efficiency
8. Recycling containers
9. Project to exceed 2016 Title 24 Efficiency Standard by at least 5%
10. Building insulation certification
11. Roofing finish with low solar reflectance
12. Dual glazed windows
13. High efficiency HVAC system
14. Tankless water heaters
15. Water piping insulation
16. Air duct insulation
17. Air filtration
18. High efficiency lighting components
19. Motion sensor activated entry lighting
20. Daylight sensor activated exterior lighting
21. Photovoltaic solar panel system ready for installation at the rooftop
