Re: Agenda Item – “Update on General Plan Implementation: Specific Plan Update Program”

As a member of the San Gabriel Valley Safe Parking Committee, I think it is important for the Planning Commission to know about all of the Safe Parking programs in LA County.

There are seven different programs managing 19 lots with 434 spaces (averaging 23 spaces per lot).

Currently, there is not one safe parking program in the San Gabriel Valley.

I encourage the Planning Commission to recommend allowing safe parking lots in Pasadena on private property.

Sincerely,

Thomas Petersmeyer, Chair,
SGV Safe Parking Committee
Member of Neighborhood UU Church, Pasadena
