Subject: Public Hearing re: MV#11910.....Objection to proposed variance at 1265 Chateau Road

CAUTION: This email was delivered from the Internet. Do not click links or open attachments unless you know the content is safe.

Dear Ms Driver, We strongly object to granting the applicant's request for a variance in connection with the construction a six foot fence or wall on his property at 1265 Chateau Road. There are no other six foot fences in the neighborhood. If the applicant desires six feet of privacy, he has the option of planting shrubbery that exceeds the four foot maximum under the code. There are examples of such plantings in the neighborhood.

Can you tell us how we can see a copy of the applicant's plans for the fence? Thank you for your assistance.

Arthur and Constance White
