<b>Comments</b>	PLEASE READ ALOUD.
	<p>Mr. Novak,</p> <p>These comments are on behalf of the Linda Vista-Annandale Association (LVAA) and are intended to add to the written comments previously submitted.</p> <p>In reviewing the Applicant’s submitted “concept” Fence Plan, it is not clear at all where a Swimming Pool Fence (5 feet in height per public safety requirements) would begin and end versus the balance of the Fence/Gate (4 feet in height per the Staff and LVAA recommendations). Assuming your agreement as to the two categories of Front Yard Fences for this property, it would be very helpful, I believe, if you would clarify for the Record where the Swimming Pool part of the Fence should be sited. Also, LVAA recommends that the Swimming Pool part of the Fence be minimized as to placement on the site to the greatest extent possible considering the constraints of the site. Thank you for consideration of our additional comments.</p> <p>Nina Chomsky, LVAA</p>
