Dear Ms. Walker,

We live on Linda Rosa Court, near 440 N. Oak Avenue. We strongly support this request for the tree removal permit and for the proposed set back. Three units will be an improvement to the neighborhood replacing an older single family house in poor condition.

Three units will also be helpful to the need for additional housing in Pasadena.

If we can be of additional support to Camilo Gomez please call us 818 802-6963 or 626 793-6446 or e-mail at deethies@sbcglobal.net.

Sincerely,
Clara Dee Thiesmeyer
