I write to you as a resident of Garfield Heights neighborhood from an opposing stance toward a large development of the proposed magnitude in our neighborhood. I urge you as a representative of our district to act upon the interest and voices of our neighborhood and deter this project from occurring. Public hearing is in a couple of days. Please make your constituents voices be heard.

Thanks.

351 Adena St Pasadena ca 91104 is the project site.

Case # PLN2019-00148
