<b>Zip Code</b>	91106-3911
<b>Comments</b>	Members of the Planning Commission: Thank you for your proactive stance in studying necessary zoning changes to allow churches to participate in providing affordable housing for the community. There is no question that Pasadena needs more housing for lower income families and unsheltered residents.. There is no question that

there are already some churches ready and willing to find ways to use excess land for affordable/homeless housing. These churches already have support from their congregations/neighborhoods. Do not hesitate in approving changes in the zoning code that would allow an ancillary structure or trailer on church property for affordable housing. Let's facilitate the work of those churches ready to move and encourage more congregations to consider the possibilities.

Thank you
