Dear Planning Commissioner,

I am writing to express my support for high quality housing that would be affordable to help the homeless housing crisis we are currently facing. I am a member of the Lake Avenue Church located at 393 N Lake Ave, Pasadena, CA, and, along with seven churches in Pasadena, support adopting an overlay zone which would allow churches to build affordable housing with less expense involved and at a faster rate.

Thank you for your consideration of this request.

Sincerely,  
Carol & Larry Harter
