Dear Planning Commissioner,

My name is Joanne Long. I am a resident of Pasadena, CA.

I am writing to express my support for having high quality affordable housing built on congregational land. I would support churches in my neighborhood wishing to do this.

An overlay zone would allow congregations to build affordable housing. Seven churches in Pasadena are interested. This will allow churches to build affordable housing more quickly and less expensively. I'm glad to support the desire of churches throughout the city to help address the affordable/homeless housing crisis we are currently facing.

Thank you,
Jo
