Good morning,

The Pasadena Chamber of Commerce is in full support of the supportive housing project planned by the Salvation Army for their site at Union and Mentor in Pasadena.

Pasadena desperately needs supportive housing and this project will help fill some of that need.

Further, the Salvation Army currently has a project on their site that is attractive, well run and an asset to the neighborhood. I anticipate the new project will be just as attractive, well run and essential to Pasadena's future.

At 44 North Mentor Avenue in Pasadena, our offices are a block from the proposed site. If I thought there would be any negative impacts from the project, I would not be supportive.

Please approve the CUP #6815 for the Salvation Army supportive housing project.

Thank you,

Paul
