Comments	<p>Chair and commissioners,</p> <p>How can Parcel 3 on BOTH SIDES of Holly be declared surplus, when:</p> <ol style="list-style-type: none">1) The land is part of the approaches for City Hall and an integral contributing element of the National Register listing.2) Pasadena is park-poor, specially in the Central District. How can the city justify disposing public open space, when there is such a need for it?3) The areas in Parcel 3 have been open green space for nearly a century. These small civic parks framing City Hall and existing as character defining features of the Civic Center are treasured by the community, and should remain as they are. <p>Thank you.</p>
