I want to comment on 3810 Greenhill Rd. I feel the project is out of character for the neighborhood and surrounding neighbors. Raising the roof over 6 feet and adding square footage to the front of the house is not in keeping with the rest of the homes. If they want to add on to the rear where it doesn't interfere with the neighborhood, that should be approved within reason.

I live on Shadow Grove and am very disappointed in the size of the projects that have been approved in Lower Hastings Ranch.

I hope a very close eye will be on this project.

Thank you,
Cindy Rice
