<b>Comments</b>	My husband and I live across the street from 90 Malcolm Drive. Our major concerns are two fold: 1. Excess vehicle parking on Malcolm which might affect our ability to get into and out of our garage, and 2. Noise created on site before the hours of 8 am and after 5 pm. We also want to be assured that no construction will take place on the weekends as we wish to be able to have the quiet enjoyment of our home. Thank you.
