FROM: Dianne Russell-Carter
Executive Director
Foothill Workforce Development Board

Dear Ms. Rajan:

The purpose of this letter is to document the partnership between CSG and the Foothill Workforce Development Board (FWDB). FWDB has maintained a partnership with the 10 West Walnut team since the beginning of the Pasadena 10WW project. FWDB is excited to be a partner and in support of the CSG's local hire efforts for this important project.

A major mixed-use development such as this one provides multiple opportunities for job opportunities within the local workforce. With the combination of planned modern office space, retail, and restaurants, this project can provide jobs with livable wages and an identifiable career ladder.

Again, FWDB is happy to be involved and we look forward to a successful project which provides good jobs for individuals in our workforce development local area.

Sincerely,

Dianne Russell-Carter
Executive Director
Foothill Workforce Development Board
