Dear Katherine,

I am the resident owner of a home located at 1525 Arroyo View Dr in Pasadena. My neighbor Bernard Morkind has submitted a Minor Conditional Use Permit application to install a metal roof.

I am supportive of his request.

I do have a question though. We live in a high-risk fire area. What would be an objection to a metal roof and why would one require a CUP? I see them throughout the neighborhood and find them architecturally attractive.

Thank you,
Catherine Berman
