V#11931: 1972-1994 Lincoln Ave.

As a resident of Altadena and former resident of Glen Avenue I wish to offer my support for the variance and new restaurant at 1994 Lincoln Avenue.

A new restaurant will be much needed addition to the local business mix and more importantly a needed restaurant as I understand that the Equator catering kitchen has also closed.

Additionally, I do not believe there will be a further burden on traffic in the immediate vicinity. Lincoln was a very busy restaurant and I did not have problems parking on Lincoln or the buildings own parking.

Sincerely,

Robert Yamamoto
