Hello,

I wanted to add some comments in regards to our Carl's Jr. here in the city of Pasadena, off lake avenue. Our store has been here for more than for 40+ years, we are a family owned franchise, and have been serving the community of Pasadena for many years. We treat our employees/guests as family, and have given career opportunities to more than 30 families of Pasadena in the past 5 years. We always hire locals and have made sure we keep our community clean and safe. We would hate to close this location as we have placed our roots in this community for the next generations to come. We want the chance to continue serving our community with excellence and see the community's children grow and offer endless opportunities for them.

Thank you,

**Jaime Velez**
