Good Morning,

I have written this correspondence to express my strong support for a new Chick-fil-A restaurant on North Lake Avenue.

By way of background, I am a longtime resident of the area and I frequent the businesses in the vicinity on a regular basis. I also walk the area quite often.

The proposed Chick-fil-A location, which currently houses a Carl's Jr., is blighted and not well maintained. Chick-fil-A always maintains their properties at the highest level and they build out their restaurants with aesthetically pleasing finishes. Having a Chick-fil-A at the location would uplift the area.

With respect to employment, Chick-fil-A would create jobs for our youth and adult populations. Moreover, Chick-fil-A does a magnificent job of training young people in the affairs of customer service - in my 10+ years of frequenting their restaurants, I don't think I've ever had a bad experience.

To reiterate, I strongly support Chick-fil-A locating on North Lake Avenue. Therefore, I ask that the City take the steps necessary to process the entitlements and permit the occupancy of the property by Chick-fil-A.

Thank you in advance for your attention to this matter.

Best Regards,

Joel Bryant
