I am the owner at 797 N Mentor Ave, the residential property adjacent to the current Carl's Jr. site.

1. I have had a lot of trash issues from their clientele who trash their discarded food wrap, drinks, food onto my property, for over 30 years.

It's not just Carl's Jr alone, I also have been cleaning up trash from McDonalds, KFC, and Little Cesar, but mainly Carl's Jr trash takes the top list. A solution is needed for this! Where is their public outside trash bin to collect their discards???

2. Another big issue is the number of cars traveling East from where there is a STOP sign, indicating it's not a through street. My security camera capture cars every 2 to 5 minutes, traveling thru the stop sign illegally.

Some even profanely get aggravated when pointed out of their illegal behaviors.

3. Their gardening service just blows leaves onto my side of the yard. They need to be more mindful of their cleaning service on the public walkway.

These are issues I want to bring to the attention of the Hearing Officer.

Regards,

T Nguyen
