Hi, I have thoughts and comments about this agenda.

I do NOT support the replacement/addition of another Chick-Fil-A at this location. Chick-Fil-A is a horrible company that still currently to this day, and has had a long history of, hurtful and damaging donations to anti-LGBT companies, charity's, etc. that support the DEATH PENALTY and Conversion Therapy, which not only is proven to not actually work, but also is against Human Rights. I feel like this is extremely against Pasadena's feel of a welcoming, inclusive neighborhood. Not only that, but there is literally another Chick-Fil-A already within walking distance.

I hope this was the right place to make such a grievance. Thanks.
