Comments	Hi, I work for Carls Jr. corporate office. I am the vice president of operations. Our store has been here for more than 40+ years; we are a family owned franchise and have been serving the community of Pasadena ever since. We treat our employees/guests as family and have given career opportunities to more than 30 families of Pasadena in the past 5 years. We always hire

locals and have made sure we keep our community clean and safe. We would hate to close this location as we have placed our roots in this community for the next generations to come. We want the chance to continue serving our community with excellence and see the community's children grow, and offer endless opportunities for them. We ask for our permit to be extended and continue working closely with the community of lake avenue to make this neighborhood a better place.
