Dear Rodrigo,

My name is Maria Paula and I am a City of Pasadena resident. I am writing this ahead of the Public Hearing for the 150 S Oak Knoll Ave project of converting the parking lot into a residence.

I strongly object this project on the grounds that there is already extremely limited outdoor parking for ADA individuals in that area. Outdoor parking lots are critical for ADA individuals suffering from conditions which do not allow for indoor parking of their vehicles.

Thank You,  
Maria Paula
