RE: Support for Applicants Request For Variance #11930

Dear Ms. Johnston;

This letter is in support of the applicants' request for variance #11930 at 1155 Linda Vista for a circular driveway.

This appears to be a safety issue and by allowing a 10' w driveway which is the norm for the neighborhood the 30% max paving would be met

The 15' w driveway being requested by the City is excessive. The driveway size in the Linda Vista neighborhood is variable so there does not appear to be a neighborhood norm.

Thank you.
