

PLEASE TAKE NOTICE THAT THIS HEARING WILL TAKE PLACE AT A MEETING HELD PURSUANT TO GOVERNOR GAVIN NEWSOM'S EXECUTIVE ORDER N-29-20 SOLELY BY ELECTRONIC MEANS

Project Location: 1904 Wagner Street, Pasadena, CA

**NOTICE OF PUBLIC HEARING
V #11936**

Subject: The applicant, Jon Roberts, on behalf of the property owners, has submitted a Variance application to allow a 515 square-foot addition to an existing single-family residence without providing compliant two-car covered parking. The existing 908 square-foot single-story residence currently maintains an attached 221 square-foot one-car garage. The Zoning Code requires two-car covered parking for existing residences that propose additions of more than 150 square feet. The applicant proposes to maintain the one-car garage. The subject property is located within the RS-6 (Single-Family Residential) zoning district.

Environmental Determination: This project has been determined to be exempt from environmental review pursuant to the guidelines of the California Environmental Quality Act (Public Resources Code §21080(b)(9); Administrative Code, Title 14, Chapter 3, §15301, Class 1, (Existing Facilities), and there are no features that distinguish this project from others in the exempt class; therefore, there are no unusual circumstances. Section 15301 exempts projects from environmental review where additions to existing structures will not result in an increase of more than 10,000 square feet if the project is located in an area where all public services and facilities are available to allow for maximum development permissible by the General Plan, and is not located within an environmentally sensitive area.

NOTICE IS HEREBY GIVEN that the Hearing Officer will hold a public hearing to consider the application.
