To whom it may concern ;

I saw a sign at Linda Rosa Market that there is a public hearing from a liquor permit . I usually buy meats , and miscellaneous groceries at this market . The owners are wonderful, and I think if they have liquor it might be a one stop shop for many . The market had great quality meats and snacks , and they have a variety of International grocery. I think liquor sale would make this market a one stop shop for me and many .

I hope they are permitted to sell liquor soon .

Sincerely

Purvi Patel
